

Certification of CPNI Procedures

I, James R. Jenkins, hereby state and declare:

1. I am the Vice President, Legal and External Affairs of United States Cellular Corporation ("US Cellular"), a wireless telecommunications provider.
2. As an officer of US Cellular, I certify that I have personal knowledge that the company has established operating procedures that are adequate to ensure compliance with the Federal Communications Commission's Customer Proprietary Network Information ("CPNI") rules set out at 64 C.F.R. Section 64.2001 et seq.
3. I am familiar with the facts contained in the foregoing Statement of CPNI Procedures and I verify that those facts are true and correct to the best of my knowledge and belief.

I declare under penalty of perjury that the foregoing is true and correct.

1. United States Cellular Corporation ("US Cellular") has established operating procedures to ensure compliance with the Federal Communications Commission's regulations regarding the protection of customer proprietary network information ("CPNI").
2. US Cellular does not presently use CPNI for any purpose requiring customer notice or consent pursuant to Section 64.2008 of the FCC's Rules. US Cellular is exclusively a CMRS carrier, and accordingly does not engage in any "out of category" marketing.
3. US Cellular has not implemented a system whereby the status of customers' CPNI approval can be determined prior to the use of CPNI because US Cellular does not use CPNI for any purpose requiring customer notice and consent.
4. US Cellular has trained its personnel regarding appropriate use of CPNI and has established disciplinary procedures applicable to employees who might violate the CPNI procedures it has established.
5. US Cellular maintains a record of its sales and marketing campaigns that use customers' CPNI. US Cellular also maintains a record of all instances in where CPNI was disclosed or provided to third parties, or when third parties were allowed access to CPNI. The record includes a description of each campaign, the specific CPNI that was used in the campaign and what products and services were offered as a part of the campaign.

6. US Cellular has established a supervisory review process regarding compliance with the CPNI rules with respect to outbound marketing situations and maintains records of its compliance for a period of one year. US Cellular's sales personnel obtain supervisory approval of any proposed outbound marketing request.
7. In accordance with Section 64.2009(e) of the Commission's Rules, an officer of US Cellular has executed a compliance certificate stating that he has personal knowledge that US Cellular has established operating procedures that ensure compliance with the FCC's CPNI rules.
